The Premises:

Never been to Gallery or heard of it until recently, but it is well worth a visit. Slightly higher prices, but the place is very classily decorated. Rooms are large, clean and have excellent showers. I booked the Cinema Room, with a jacuzzi and large cinema screen. I have to admit I hardly notice the screen once the ladies entered the room. Receptionist was very friendly and efficient.

The Lady:

Grace- Very attractive brunette in 20s. Lovely smile and amazing 34dd boobs. Friendly girl.
April- Taller with amazing body, very well toned and great bum. Also very friendly.

The Story:

These girls put me at ease straight away with a relaxing massage. April in particular seemed very good at this. Then I enjoyed amazing oral from April and Grace. April give a really dirty bj complete with spitting and slapping your cock on her cheeks-very horny. After hj's from both girls and a bit of sex in a couple of positions, they finished me by hand. Then it was straight into the jacuzzi, my cock was still quite hard and April showed what a firecracker she is by wanking it straight away using both hands and feet, whilst I enjoyed the jacuzzi with Grace. After a while April got out and lay on the bed playing with herself while Grace gave me an underwater hj. I then got out to give April oral for a while. More fucking in doggy, with April, whilst Grace fondled me from behind, then an amazing long session of oral and hj's from both girls. April encouraged me along with deep kisses and whispering sexy words of encouragement until I eventually came with an enormous orgasm.

I would definately recommend the Gallery and both girls, especially April who is almost up there with my fave ladies, Sam and Cat of York.
