The Premises:

easy to find flat in large apartment block. good parking. clean and tidy. safe.

The Lady:

thai gal with big boobs. 36dd. womanly and curvaceous, not a chunker. you can find photos on the web.they are of her. welcoming,friendly and seems to enjoy her work.only downside was she complained her nips were to sensitive to suck on !!

The Story:

guided in on phone and asked if wanted her in uniform (school girl,maid)or lingerie. opted for black stockings etc . was met in her dressing gown! contribution made. she disappeared and came back in a very sexy get up.gentle massage at my request, a few credit card swipes, i raised myself up a bit and before i knew it a gloved hand was probing my ass. "do you like?" F**k yeah! turn over. more lube and more fingers.she pumped my ass for a good 10 minutes playing with my balls and stroking my cock. condom in mouth and then lowered face onto my cock. good blowie. cowgirl. mish. legs up in the air.pumping away and squirming around. went over time.no rush.
