The Premises:

Leila is located in a less attractive apartment building close to Edgware Road. The apartment and room were nicely decorated and tidy.

The Lady:

Attractive, tiny frame, nice boobs. Looks different from the pics on website but not in a bad way.

The Story:

Leila is the first escort girl I have ever visited (I have been to FKKs in Germany) and this is hence my first ever review. I picked Leila because other reviews mentioned that she could deliver nice deep throat and rimming, two services I was eager to try.

Leila didnt disappoint, she provided a very nice blow job although she was not up for any aggressive form of throat fucking. Her rimming was very nice and intense, for me a definite reason to pay her another visit.

The sex itself was not at all bad although I had the feeling that Leila is the kind of escort that tries so hard to provide a good service that she doesnt really let herself go during the sex.

Leila was attentive and friendly throughout the visit, my only complaint would be that she attended her mobile phone twice during our date, albeit very briefly and excusing herself.

I would consider seeing Leila again and I would advise 121-Asians to try to keep her aboard. Recommended.
