The Lady:

Great set of tits.....big, just as like em. She's a really down to earth girl who you can have a right laugh with. Fanastically shagable pussy too.

The Story:

She started off by giving me a nice blowjob.....with lots of eye contact and tongue slapping. Shame she didn't do owo. Then i shagged her standing up bent over a chair, before taking her onto the bed to give a right good pounding. Shot my load right up her...in the ponk of course. 2nd visit with Susie and was better than previous.
