Gorgeous girl, prettier face than in pictures, stunning body and dressed very stylishly in a a casual and discrete outfit.

The Story:

Lisa arrived about 20 minutes late and proceeded to the bathroom to change into lingerie and freshen up. Seemed to be coming from another appointment which was a bit of a turn off. She looked great in her lingerie after emerging 10 minutes later. We chatted for a bit accompanied by some excellent kissing. I requested her to give me a lap dance. Best lap dance I have ever had - the lady has the moves and did the whole breast covering turn like in the movie Striptease. She then nibbled on my ear and kissed down my body culminating in her undressing me followed by a solid OWO. Then she got on the couch and rode me for a bit. Continued with other positions for a while finished up and then had a nice long chat. I have no hesitations recommending as she is pretty and good at what she does. However, did come across a bit professional and detached - I think she is a bit overworked as I tried to book her previously and she was not available.
