Modern house on estate in a safe and well-to-do part of Maidenhead. Reasonably discrete being at end of mews and with good parking.

The Lady:

Absolutely stunning. Young, very pretty and fantastic body. About the most perfect tits I've ever seen.

The Story:

I have seen Gemma a couple of times before and have always had a simple massage and oral without. This time it wasn't on offer because she had a throat infection and didn't want to spread germs. I'd have taken this as an excuse were it not for the fact that I have had owo with her before. To be honest, not that big a deal for me anyway.

The massage was good - very gentle but, more importantly, a good opportunity to have a good chat. Apart from the tits (did I mention those) and the beautiful face (must have mentioned that) this is the best thing about Gemma. She is so lovely to talk to - really engaging.

I always stick to oral because I'm a bit of an early squirter with sex but, after a superb bout of long slow oral and, with the condom already in place, she suggested we try a slow fuck. Thank God I listened to her. Just being inside her was a pleasure I'll remember for some time and I must have managed to hang on for all of 2 minutes.

Come on guys, I'm in my fifties and this is an intensely beautiful young girl with a beautiful face and lovely tits!

I went back to see her after the Chantelle days because I remembered how lovely she was. She is just a gorgeous but seems to have matured into an intelligent young lady that you can also have a decent conversation with. I am utterly smitten. I've been doing this for many years and she is now no.1.

Did I mention her face and tits?

Gemma, thank you. I will be back regularly although it will take some time before I give you my business card!
