The Story:

I was a more than a bit nervous going in as I had never been to a massage parlour before. I was sat in the waiting room for a few minutes when Ava walked in, I couldn't believe how beautiful she was!!! She is amazing at what she does, I've never cummed that quick in my life and I still can't get over her body. If you've never been to one of these places then she's the girl for you. Stunning, Genuine and a right laugh She made me feel relaxed in no time. The best thing is that for two years my back has been in agony every morning From a past injury, but today I woke up with no pain!!! She should definetley look into becoming a chiropractor. She's a real credit to Victoria house so much so that I will have to visit soon even though I live over 200 miles away. See you soon xx
