The Story:

this was a spare of the moment thing and thort 'i realy fance a nice wet deepthroat bj' so rang the ever trusty 121 and spoke to the guy on what his recomendation was so went with summer, so got in her room had the shower and what not, she has limitd english but i wasnt there to talk so it didnt matter, asked her to get on her knees and start sucking so she did, shes so cute and innocent so i didnt want to be to rough with her after 10 mins of her only managing the tip of my cock i told her i was going to fuck her throat and get them pretty eyes to water, pure bliss she gaged and her makeup was all over the place, towards the end she told me she had enough and asked me to stop i said 5 more mins to which she agreed ended up ramming my cock down her tiny throat as i came which made her swallow, brilliant. after we chatted and she said 'you have very big cock mr and now my throat sore' i apologised gave her a hug and an extra 100 then she smiled, laughed and said u can come and do this to me any time, quick kiss and i was off, so if you want to fuck a very pretty girls face one afternoon summer is your girl.
