The Premises:

A very nice small flat on an upper floor of a house on a quiet street within a few minutes of Bayswater Tube Station. It is a very safe area.

The Lady:

Victoria (or ?Hot Victoria? as she is also known) has an absolutely beautiful face and perfect body with the sweetest firmest arse that I have ever seen. She could easily pass as a fashion model. She is about 5'6" tall, weighs about 7.5 stone and has green eyes and dyed blond hair a bit longer than shoulder length. She is quite small breasted (which I like) with dark nipples and aureoles. Her pussy is completely shaved with somewhat prominent dark pigmented labia. She is exceptionally hygienic and the second time I saw her she had just a hint of feminine odor between her legs that I found quite stimulating. For both my visits she was dressed in skimpy knickers. She told me that she is 23 and there is no reason to doubt that.

The Story:

This was my second visit and Victoria was quite aggressive sexually and began French kissing and rubbing against me as soon as she let me into her flat. We were quickly undressed and on her bed giving each other mutual oral sex. She has a wonderfully sensual pussy and arsehole that she enjoyed having licked although she does not enjoy inserted fingers. She seemed to have an orgasm while we were in the 69 position (I do not think it was faked). After a few minutes rest we fucked in several positions. When I took her in the ?spoon? position on our sides I used my fingers on her clit and I believe she had a second orgasm. After another short rest we continued fucking, then she finished me, at my request, by kneeling between my legs and sucking me (without) until I came in her mouth (on the previous visit I came in her pussy while she rode me reverse cowgirl). She did not swallow but ran to the bathroom to wash her mouth, which I really did not mind. I don't think I would swallow if some bloke came in my mouth either! After lovemaking we sat naked and opened a bottle of wine and talked until well past my time. Her communication skills are quite good (she is Polish). After dressing and before leaving I asked if she had forgotten anything and she gave me a puzzled look. I reminded her that I had not paid her. I gave her an extra tip because this was really one of the best punts I have ever had. I hope to return next time I am in London. She really is a special young woman.
