The Story:

Tanya is a great down to earth girl who clearly enjoys her work if you treat her well.

I have seen Tanya a few times at Good Lookers, and she is certainly well worth a visit.

After taking a bath that one of the other girls had just ran for herself (Sorry !!), skipped the offer of massage and got straight down to business. Plenty of Kissing and OWO. Assisted by a bottle of liquid gold, Tanya's excellent skills built me up slowing to a mind blowing explosion of goo in her mouth and over her ample charms.

After had a chat about other establishments and poor standards, before attempting round two. This proved to be beyond me, and much to my surprise, Tanya insisted on refunding me ?20 as I had paid for a cum twice service - What a star !!

Will definately return to visit her again.
