### The Premises:

A reasonable 3 star hotel, pretty standard

### The Lady:

She was wearing red and black lingerie. Looked fantastic

### The Story:

One of the best punts so far.

I like everything so we did it all 69, two way rimming, foot fetish, snowballing, all different positions.

She has a thing about watching herself in the mirror which was fantastic. We had some good chat in between and she even asked what music I was into and put on some good hip hop and rnb. She sensed what I like and worked it into the experience.

Was great and would definitely do again once I have seen a few other ladies.
