### The Premises:

A flat in an estate in the south of the city. Parking was certainly easy. Her flat's nice enough.

### The Lady:

Quite tall (but then I'm quite short!), her pictures are accurate but she's maybe a bit larger now (in a good way, nice sized boobs and ass)

### The Story:

After my disaster on Thursday, I thought I'd play it safe and look for someone with lots of reviews. Roxanne lived up every bit to what others have said, great oral skills and such a nice ass! She was friendly throughout, and while I'm not exactly a stallion, I think she enjoyed what we did too. Ended up leaving with a Pepsi in one hand, and a big smile.

Wish I'd been to see her before, but you live and learn. If you want to see her, call her, don't bother with email.
