The Premises:

Flat above some shops on Seven Kings High Road. The entrance is at the rear where you have to walk past a mechanics. Inside it was quite dingy with a jacuzzi in the main bedroom.

The Lady:

There were two girls there. On the phone I was told that there was an Indian girl - when I met her she was speaking Spanish. I was also told that there was Jessy. She was a very average looking Spanish lady with GG breasts. I loved the breasts so went for her.

The Story:

I was in one of those moods when anything would do but even then I think the service was not great. I was given a very quick covered BJ, was given a play with her impressive breasts and then moved on to doggy when I shot my load. She then gave me some tissues and wipes to clean up, stayed a couple of minutes and then said that she had to go.

My first time at this place and I will not be coming back in a hurry.
