The Premises:

Studio flat very easily accessible in an area I would say is safe, close to Marble Arch. The flat was not very nice, the shower was broken, dirty spots of goodness knows everywhere and food was spread all around the place in the kitchen. Not very sensual if you ask me :-/

The Lady:

Not at all like the pictures on her website (or elsewhere).

She is certainly Arabic, but if she is the same lady as the one in the pictures (big if, because the lady I met is plumper, her hair completely different, but could not in all honesty say it is not the same lady) she has changed markedly, so is no longer accurate for her to say that her pictures are "very current" as claimed.

The Story:

Something I dislike is to be lied to. Ladies on this trade should understand that there are guys that are appreciative of women of all complexions, so it is frankly unnecessary to put fake or old pictures.

To be honest I wanted to leave as soon as I saw this lady, but she was pleasant enough during the small talk so I decided to stay.

After being offered a drink and a pleasant enough chat she got undressed without any foreplay. I tried to play a bit, but she really jumped when touched on her nipples, so the boobies were off limits which I found funny but frustrating.

She went down on me and I have to say she is very good. We followed with several positions but there was no connection as with other escorts.

The shower was not nice, I only took a shower to clean myself and because it was a very hot day, otherwise I would have preferred not to use it.

Overall just about passable, with so many gorgeous girls in town, and the no so gorgeous making up for it with a nice environment and tons of personality, I found this encounter rather disappointing.
