The Premises:

Kandy's of Telford - Very nice little house down a gravel drive. It's quite a small place so only two rooms and not much space for lounging about beforehand.

The Lady:

Maria is drop-dead gorgeous with Long silky black hair, lovely big eyes, the cutest smile, and a truly perfect figure. In fact, looking at her in her sexy outfit, she seemed the sweetest kindest girl I've ever met, but once I'd plucked up the courage to ask if she did domination I found that underneath the sweet exterior is real hot fire.

The Story:

I felt completely under Maria's control the whole time, and I was very willing to submit to her because I felt really under her spell, and felt as if I could trust her too. One thing about Maria was her precise control. She really knows how to get the most out of her equipment in every sense of the word - I felt the whole way through that what ever I was experiencing was exactly what she wanted me to experience - no more and no less, and she was taking me to within an inch of my limits and keeping me there for minutes at a time, building me up to the maximum I could take, before pausing a while for the next build up. I just felt more and more sexy, and more and more as if I was just totally her property to do with as she pleased. The time went all too quickly, but I enjoyed every minute of it. Maria is the best mistress I've ever been with. I just wish I could be her slave for ever, and not just half an hour. Oh well there is always the next time.
