### The Premises:

Lovely, clean, friendly place

### The Lady:

slim, blonde, firm small B-cup breasts, firm bottom, shaven haven

### The Story:

Wow, this girl made me feel comfortable. I was hungover and nervous and she just got on with it, without too much chatter, but enough to make me feel special.

I was offered extras but declined and had OW, fingering, kissing, FS (missionary).

I didn't last long, but that should no way be attributed to her as she was fantastic and I would happily see her again
