The Lady:

Victoria is in her early 30s 5'7" ... 38 D bust, all natural ... size 12 ... lovely red hair ...

The Story:

I had been wanting to see Victoria for a few months and I was very happy when I saw she was touring MK ... so email sent and arrangements made for a dinner date in her hotel. After a lovely dinner it was back to her room ... quick shower and then 3 hours of great sex with a lovely sexy classy lady.

I never go into great detail but all likes in Victoria's profile were available.

If you read Victoria's website she says she's a voluptuous, curvaceous, real, luscious, unshaven, red headed woman, wild, passionate and fun ... well she's more than that and I can't recommend Victoria enough.

Will I see her again .. ? already making the arrangements

I just love Redheads

Thanks Victoria for a great time.
