### The Premises:

Very clean and romantic.

### The Lady:

She is probably Thai not Malaysian as the website suggests, but didn't bother me as she was great and big ass for an Asian girl.

### The Story:

The thing I like about Asians is how friendly and sweet they are - as soon as I gave the money. It was sex sex sex, none stop action, I guess she is new now so she wants everyone to be happy, oral wet and good, finished in doggie to her mouth.
