### The Story:

A great 2 hour appointment with Jessica went well.

She arrived in a pink top and white skirt, had a nice drink of water, had a chit-chat for 10 minutes before we had a mind-blowing sex.

First, me and Jessica explored each others bodies before I took her sexy bra off to lick her breasts then took off her thong and I touched her shaved pussy, she also gave me a handjob then, Jessica gave me a covered oral then, I licked her clitoris, then me and Jessica had great sex in different positions until we had an orgasm together in a missionary position.

After me and Jessica had sex, we both had a nice relaxing bath together then we both chatted in bed for the last few minutes.

Then we both say goodbye to each other after two hours of good lovemaking.

10/10 for the gorgeous Jessica, great girlfriend experience and I'll book her again for an overnight!!!
