The Premises:

The Massage Sanctuary is in a very nice area above shops in Hornchurch. Very discrete entrance accessed from the rear, feels safe and secure. I have been to this establishment a number of times now and it is always very clean and tidy and very classy and very welcoming.

The girls are always beautiful and enthusiastic and dressed very sexily.

The Lady:

This is the second time that I have seen Mellisa she is about 5' 6" tall blond has a great figure and lovely firm boobs. Definitely glamour model material, she dresses in very sexy lingerie. She meets you with a cheery sexy smile and is a pleasure to talk to and terrific to be with.

The Story:

Started with some friendly chatting, kissing and cuddling then my favourite and went down on her lovely shaven pussy. She clearly loves being licked as much as I enjoyed licking her which I did for quite some time. Then my turn to lay back and she teased and did oral on me, she clearly enjoys this very very good at it too! Then some more kissing and I wanted to lick play and lick her again. Moved to full sex, which was incredible, her on top which is one of my favourites. A really enjoyable unhurried fuck which she clearly enjoyed too. Mellisa clearly enjoys what she does and is broadminded and keen to please. Had a terrific time and would certainly highly recommend.
