The Premises:

Kandy's is quite a nice place at the end of a private drive, so it is quite discreet.

The Lady:

Maria has big brown eyes and very long jet black hair You'd think she might be an Italian Countess or something, as she has a very confident air about her, and seems quite refined, with those dark continental good looks. She is very warm and kindly, has a lovely figure, and is very attractive.

The Story:

This is my first Punternet Report, and I wanted it to be the first report for Maria, as she told me she had not been working at Kandy's very long, but it seems I'm not the only one who thinks she is a bit special, and so I have been beaten to it. She was so kind and gentle with me, and very generous, with her silky soft skin sliding up against me, and tantalising close up glimpses of those perfect breasts. I was in seventh heaven by the end of the session - marvelous. I'm so looking forward to the next time, and I get the feeling about Maria, that the more I see of her, the closer we are going to get, and the more friendly and lovely she will be.
