The Premises:

Initially spotted this lady on vivastreet.co.uk under naughty kim of walsall, which also has pictures of her. I then read up the reports on here and made an appointment.

Its a clean private flat, away from the town centre, but close to the m6 motorway, which was easy for me, coming down from the telford area, i found the flat easier to find than some of the places i have been to in the heart of birmingham. Safe area with plenty of parking nearby.

The Lady:

Kim is an attractive blond lady, tall and slim in her late 30s, with a beautiful all over tan, she informed me that she had recently returned from a holiday abroad. She certainly looked hot, and i felt at ease.

The Story:

She welcomed me in with a friendly smile, and there was some nice soft cd music playing in the background. Once the paperwork was sorted out, it was down to business. Kim was wearing some hot lingerie, which soon came off to reveal lovely erect nipples and very wet pussy. Good hand work on me and me on her started the show off, she gave me oral and i did some reverse oral, kissing, finished with doggy.

Cleaned up, nice chat as well, kim gives a fantastic service, she is not a clock watcher and at no time did i feel rushed. She is a very professional lady who does her job well. I left with a satisfied smile on my face, and will return in the near future.
