The Premises:

Located off main high street, large drive provides ample parking.

Nice enough place, clean, tidy etc....everything you need.

The Lady:

I was told on the phone Amber was a genuine pole dancer so I had decided on her before I even arrived.

When she entered the room my jaw hit the floor, true stunner - genuinely early 20s, blonde hair, sexy eyes and the body epitomises perfection - about 5'8, dress size 8 and 34DD tits.

Yeehaw!!

The Story:

Felt immediately at ease and was given the choice of a massage of getting 'straight down to the fun stuff' - as i was having a Cx2 I suggested we got straight down to it, and have a massage whilst i recovered for round two!

DFK followed, absolutely sublime - this girl kisses like she means it. She worked her way down to the all important area and took me to heaven sucking and teasing until I was begging to strap up for the finale! Had her on top where she rode me til I couldnt hold back any more. WOW!!

Massage and some genuine chat followed - brains and beauty with this girl! Wasnt long before those sexy eyes had me going again, and I returned the favour by going down on her - she has her clit pierced and I could tell she loved it!

Strapped up again and done her from behind getting a great view of her perfect ass! Pulled out, johnny off and finished with a flithy little facial! Amber informed me she usually works Thursdays, and trust me - I will be back!

Best punt I have had to date by a country mile...
