The Story:

We started off with a massage as I was feeling a bit tired from work. She managed to relax me and then gave OWO and this was followed by a brief amount of miss and then cowgirl and then some doggy to finish with a OWO - I think some CIM. A great deal if you ask me. Only thing is I thought about A levels but that didn't happen, a simple refusal and acceptance. I also failed to keep my end up about 3 times, so used 3 rubbers and finished once. I made my apologies to Kassia about this.
