### The Premises:

My first visit here but much reported on punternet (which is how i found out about it). Very clean, entrance from busy street or around back, felt very safe with car park near, and adjacent to Bedford prison (where we will all be if HH has her way!)

### The Lady:

Full figured big busty English ebony lady about 5'5ish with a lovely smile and wicked laugh. Very attractive and sexy.

### The Story:

I had the choice of three ladys all very nice but decided on Alicia.

I took a quick shower after figuring out how to work it, sorted out the financials and we were off.

We started with her massaging me which quickly turned into owo then on with the condom for some cowgirl which she said she enjoyed then into mish and i could hold on no longer and came very heavenly.

Then we had a chat and I massaged her until I was hard again then onto round two which was basically just one long round of doggie to another fantastic climax.

Having thanked Alicia and kissed her goodbye I drove home a contented happy man!
