The Premises:

Top floor flat in a converted town house. Quite neat and tidy. Parking was residents only but only til 1.30pm so was ok.

The Lady:

As per the photos - dark haired Brazilian girl. Nice legs, good bum, enhanced boobs. Looked better au naturel than made up I reckon.

The Story:

Not the most amazing punt ever. In fact quite poor. Not sure if I'd classify it as 'bad' though.

It didn't start well. Left outside in the rain and having a bizarre 'how is this' type conversation with a door buzzer for 5 mins. Then it turned out she wasn't ready as she had overslept. I was looked after for another 10-15 mins by Giovanna (who looked very tasty I might add) until Samantha was ready. Exchanged pleasantries and cash and was stripped and told to lie down. Next thing I know, I'm rubbered up and she's bouncing on me for dear life! No warm up or fooling around as I didn't get the chance. Various positions before popping and then it was time for her to show me all her photos of her. And I do mean ALL of her photos.

Round 2 was about to commence the same as round 1 when I intervened. A suggested 69 lasted about 30 seconds before she hopped on again. Again lots of 'come inside my pussy' type talk and eventually I whipped off the boot to cum on her, which resulted in lots of body twirling as she tried to miss the shot. She then departed for a shower and I had to ask for the same. Cleaned up, I got dressed and was out by five past ten. So despite paying for two hours, I got about 75mins! In fairness to her, I didn't bother trying to negotiate a refund - when punts go bad it's easier to write it off, walk away and write up the experience as a warning to others. So I did.

Plus points were that she was good looking and may well have been a really nice girl. Just awful as an escort - hurried, no kissing, no touchy touchy, no foreplay .. just a quick shag and move onto the next daft mug. I really can't recommend her and won't be going back. Sad really, as I like the look of a few girls on the Lilyfields site but am now just that bit more cautious about using them.

Funny old game ...
