The Premises:

Decent flat above shops, but reasonably discrete. The room was spacious and tidy, with a big bed, and porn playing on the TV. Shower facilities were fine. The maid was professional yet friendly.

The Lady:

A real head turner. She now has short blonde hair, as compared to the photos on the website. Good firm body. Dress size 10-12. Great breasts

The Story:

Mellissa is lively, bubbly and certainly communicates. A real Essex girl, in the best sense. She says she enjoys her job - and it shows. Most of the hour was spent with me giving her oral, both with the tongue and a finger. As she said herself, "This is Lick Me Heaven!". Did she fake her three orgasms? No. Mellissa was so wet and flushed, they were real. In fact, we both lost track of time, as I tried to get her cumming for a fourth time. Considering that she claimed initially that it would be hard to get her to cum even once...job done!

Only problem was that the time left allowed only for a quick oral without, which was still administered with real gusto. Not a hint of being rushed.

Mellissa is great fun, and right near the top of my list now. Only Mireille and Laura, in my experience, match her enthusiasm for being tongued. That's elite company!
