The Story:

Easy going girl with great chat, switched on and gives amazing gfe and pse if you want. Great owo, lots of spitting eye contact ball sucking, I could go on. Her personality is aweome, up there with some of my best friends. I think I am in love. Treat this girl with total respect as she is the best, believe me, heads shoulders and a few country miles above any other working girl Ive seen.

Jamie was really eager to please and that despite me being completely hungover she was determined I was going to come in her mouth, this was a major turn on. The conversation we had was great fun also and I would guess she is a really genuine girl who loves sex as well as her job.

Thanks for a lovely time
