The Premises:

North Cheam Massage is very easy to find - from the map on their website and the details over the phone. Its nowhere near the tube. Its about a 20 minute bus ride from Morden or South Wimbledon tube.

Typical suburban parlour set up - flat above shops. It was clean, well presented and felt relaxing.

The Lady:

Savanna is between 21 and 25 I would say. Very pretty, with amazing blue eyes. Shoulder length brown hair, medium to large breasts and slim to medium build.

The Story:

I have never been here before, and I thought it was 2 or 3 girl place. However, it seems its only a single girl place. But I well and truly fell on my feet with Savanna. A little bonus for me was that she looked pretty similar to someone I used to work with - age wise/looks wise/build wise. So, inadvertently, this fulfilled a fantasy from a long while ago.

As soon as I met Savanna I sensed a great session. She came in positive, friendly and sparkling. Things here are done according to service rather than time. I chose sex for ?50.

Savanna gave me a very sensual massage, rubbing herself against me and kissing me around my ear and neck.

She was very tactile when I turned over, and delightfully said "touch my clit". She was quite demanding here - in that she liked a precision touch to get the best feeling. I think I was in the right place for most of the time!

We moved onto sex with Savanna on top to begin with, with a compliment that my cock felt good inside her.

I don't know why but she said let me know when you are going to come. But I am not very good at announcing my arrival intentions as that inevitably leads to a delay. So I quietly forgot to do that.

We changed to me on top, which was incredibly visually appealing seeing Savanna's large breasts move up and down with my thrusting.

A great climax ensued. A nice touch was that she pulled me in close to her, and held me tight after I had come.

Savanna was perfect. She was friendly, tactile, and with just the right amount of raunchiness. Sadly for me Monday (a good day for me) is not her regular day. But I hope to see her again, and I will certainly try North Cheam Massage again.
