The Premises:

Modern block of flats in Taunton town centre. Decently furnished with plenty of items to shag on. Car parking nearby.

The Lady:

Emilee is very attractive, mid 20?s, slim (size 6/8) though she's put on a little weight recently. Brunette, long hair, good suckable boobs, sexy arse, delicious shaven pussy with prominent lips and clit piercing. Emilee has a delightful, engaging personality and sensual manner. Very friendly and easy to talk to, she makes you feel special.

The Story:

Started with some passionate kissing (she's a great kisser) with Emilee sliding her hand across my stiff cock. After a while she insisted I remove my trousers and pants for some unsheathed cocksucking ? what a pleasure it was, as she gave my bollocks and shaft a good lick. I fancied some pussy action and spent a while licking and fingering her delicious wet cunt. We tried a few positions on various items of furniture, each position affording great views and stimulation. The whole experience was hugely enjoyable.

One drawback at the flat is that Emilee is very concerned that the neighbours might get wind of what's going on, so if you go, please be discreet and quiet.
