### The Premises:

Smart apartment and easy to find and park

### The Lady:

Nice slim girl with gorgeous body

### The Story:

Very pleased with this one.

Got the payment done and then showered and onto the bed.

She was down to lingerie and heels and looked great.

Soon into the fun and she had me struggling first with hands and then with O.

All very nice leading up to shagging.

Did her first in CG so I could see it all.

Then mish to finish with her legs down straight.

Lovely tight pussy and a very nice finish.
