The Premises:

A very nice, clean hotel in an ideal location. Instructions were clear which made meeting a stress free experiance.

The Lady:

Linzi was a breeze to get on with and any nerves I had pass away very quickly, she is very relaxed and quick to laugh with a good sense of humour.

The Story:

Needless to say Linzi was full of ideas and it will take me a few visits to work through them! She is very accomplished in the oral department and her tactile nature keeps you on your toes! I was greeted with a kiss and a warm smile, I had been got caught in a shower so Linzi suggested that she should take off my clothes. Again a very tactile and not at all clumsey act.Followed with lots of conversation and a GFE all round. After some relaxing on the bed it was oral, oral with mirrors (Linzi's idea), tit job and more of the same again, with variations. Straight to mish which was were I finished, the oral had been very good and I was never going to last and the sight of those breasts...well it was all too much..!

Linzi never made me feel as if she were not fully in to it and the clock was never an issue even when we ran over the time alotted.

I had a shower we chatted and I left with a kiss, a perfect end and on my birthday too !! Worth every penny, an easy going fun sexy woman...see you soon.
