The Premises:

As previously reported GFE is the cleanest I've visited so far, nicely decorated and the reception staff are friendly, and will always ask if you would like refreshments.

The Lady:

Gemma is a tall Leggy Blonde that puts you at ease straight away, she has no airs and graces about her, and will chat quite easily

The Story:

I called to see Gemma on her last day at GFE, though I had promised myself I would do it earlier.

She started with a massage, then proceeded to to owo, which I requested as an extra, then onto reverse oral which she genuinely enjoyed, and finally the cover went on and even with her long legs we managed to finish doggy style, with me standing.

I had only one small gripe, and it wasn't about Gemma, it was the bed in the room, the floors are laminate, and the bed on castors, so as you can imagine the bed wasn't in the same place as it started, much to both of our amusement.

Still it's a shame she's given up the business, as there'll be many a punter out there missing her
