The Premises:

recently re-opens parlour having been closed down for a while
the place is on the main road but does have a discreet rear entrance for the concerned.
the parlour has had showers refurbished which now work well unlike before.
its clean and comfortable and i was told the website has been closed for this parlour

The Lady:

Sharna is a full Pakistani girl, with dyed blonde hair standing at about 5ft7 but hard to tell as she was wearing glass bottom heels.
she is about size 8 and supports a nice pair of boobs about 36e i would think at a guess she is very pretty.
she also is kind and seems to be a very caring person and honest
when i offered a tip she declined saying that she does not take any extra of clients cz the service charge is sufficient and respects how hard we have to work for our earned money

The Story:

i entered the premises sat for 10 mins had a cuppa this was offered by the receptionist on arrival.
there was supposed to be two girls on but there was only one choice i was told the other girl was on her way home.
we went to the room where i received a good firm massage followed by covered oral as i declined otherwise she tells me she does not charge extra for.
we then had a little 69 followed by cowgirl and then as usual i finished off by hand all in all a good punt was had with a fantastic girl thanx hun xx
