The Lady:

walked into pretty much a full house, 2 new faces, mona and a cute scottish blonde, tia, one of my favourites and vfm, eva who was running late, another favourite and vfm. mona, slim petite sexy new face, dark haired and skinned (alarm bells should have rung) nice breasts pushed up into dress.

The Story:

well.... cant fault her body and looks.. i asked for my usual owo and cim...nope....owo was persuaded at her cost of ?20 extra, which i told her that was not the norm, it should have been tenner. then her story saying my body my charges!!!!. tenner agreed, owo and a very quick cum of which she never finished off by hand. poor show.

poor massage, then more oral with condom into a few positions, then she wanted another tenner for more owo, tenner for kissing and tenner for cum twice.. forget the tenner for kissing!!!

couldnt manage second shot.

back into showers where i noticed a smile from eva, tempted to pull her into a room for a session, but refrained. save for another day

on exit a few words with boss about mona...
