The Premises:

Date took place at the Appartment run by the agency. it is immaculate and Laura provides wine and food for breakfast as well!!! Parking is safe and as secure as necessary. A delightful location and relatively easy to find.

The Lady:

Sacha is just as she appears on the web site, and I was delighted to discover that she is the age specified! An all time first for me. Very pretty and dressed in a black cocktail dress with hold-ups and high heels. Stunning to look at.

The Story:

Sacha seemed a little shy at first, but after a drink and some food from the local chinese, she really changed and became the most amazing lover. She is very open minded and loves her role, although she has not been doing it for long. I left in the morning very tired but well content. Thanks to Laura who does a great job to make sure that everything goes well. Here's to the next time!!!!
