### The Premises:

Clean flat, but block number hard to find. Near the tube station.

### The Lady:

Claudia was my second choice, first lady was busy on outcall !

However, bitterly disappointed she was nothing like the pictures. Her face was spotty, and a big pot belly with severe scarring. I like Oriental girls because their slim normally, this one broke the mould.

### The Story:

Service was okay, but for me the moment was already lost. For this kind of money photo's should be accurate and description. Wolud have been off for a quickie at a Soho-walkup.
