The Story:

Why I came here to see this lady I do not know. Was a hot day and I came in off the cuff. Looked alright from afar but once in the room and close up she wasn't that pretty. Very nice personality mind you and very willing to offer extras - all of which I declined. Got her to face the mirror and bend over and talk dirty whilst I pretended to cum on the other side of the bed. I hardly touched her - my own choice and struggled to get hard. I think its crucial to be attracted to the lady and she must be kind of good looking facially for that to happen for me. Broad regional accents don't do it for me either. Lasted 10 minutes and had to put on a Shakespearian performance to blag the bird throughout in order not to hurt her feelings ... think it worked as she was under the impression I'd be coming back to see her the following week.

Wont be happening - in fact will be giving this place a miss for a while although Sienna, Colette and Farrah are 3 gorgeous girls here.
