The Premises:

Shared house very close to Leytonstone tube as reported in a previous field report. Room was clean but full of clothes and make-up. Love songs playing in the background.

The Lady:

Fairly short, not beautiful but pretty in a girl-next-door kind of way. Wore glasses for the entire punt, giving her a slightly bookish look. Fantastic breasts - like a teenager's, firm with small nipples. Elsewhere she was curvaceous but not fat, with a nice arse. In short an excellent body. Smartly trimmed pussy, with just a bit of fuzz around the lips.

The Story:

First, the bad news. When I phoned her up she said owo would be ?20 extra. However, she said she didn't do owo when we were together. Eva's English isn't great but I don't think this was a case of misunderstanding. Asked for 45 minutes, she said this would cost ?80 and cum twice would be ?20 extra.

Now the good news. This was an excellent punt. Started off by giving me a huge cuddle and then doing a slow dance, rubbing herself against my body before undressing and lying on the bed. I started off by licking her all over and then went down on her for ages while she moaned with pleasure - she didn't want me to stop! I've had quite a few punts now and can get a good feeling of when a girl is putting on an act, but Eva genuinely seemed to love sex. She has a lovely-tasting pussy too. I was a bit overexcited by now and didn't last long afterwards when I shagged her in mish.

Lots of tight cuddling followed (no kissing though unfortunately) and a nice chat. Slight difficulty in understanding each other but she had a lovely way of laughing when she wasn't quite sure what I was saying so it wasn't a problem. Went on to frig her off with a couple of fingers. Much groaning again.

On with another condom and into doggy. This was really great. I pounded her as hard as I could for 15 minutes or so while she moaned with pleasure the whole time. Such a nice change to be shagging a working girl who was enjoying herself so much! Fantastic view of her arse while I was doing this resulted in an immense orgasm.

More cuddling afterwards and then I had to go. Had gone slightly over time but she was in no rush to get rid of me so by no means a clock watcher.

One of my best ever punts overall. Shame about the oral without situation but she more than made up for it with her good nature and enthusiastic approach to sex.
