The Premises:

My place. I have seen Elena a few times now, so I expected her to be late, and she was. Taxi cost 20 each way.

The Lady:

She is a cute girl in her early to mid twenties, is friendly and speaks good English. Elena has a slim figure with medium breasts, and a fantastic bubble butt which was nicely evident in a pair of tight jeans on arrival.

The Story:

I had mentioned a good friend of mine, "B", to her in those previous encounters and she was keen to meet him. She had said she liked black guys with huge cocks. She agreed to a threesome and so I went ahead and arranged this meeting.

I decided to leave them alone for some time in the bedroom, so they could relax and get to know each other. I asked her to let me know when she wanted me to join them. After about half an hour she came into the lounge to find me, wearing just her panties, with a huge grin on her face, saying that she was ready.

In the bedroom she took control of events and made me watch while she gave B a BJ and then as she climbed on top of him the real fun started. Its no secret of course that girls dream about hung black guys and this was a girl living out one of her fantasies. What ensued was raw lust sex at full pace. The sight of that fabulous bubble butt riding up and down on B's thick cock was fantastic, and within a few minutes she was riding frantically and her pussy was dripping copious amounts of its juice all over his cock and the bed.

She then instructed me to lie down, with with her ontop, whilst B shafted her pussy from behind. Now I had memories of her riding my cock in cowgirl on previous visits, but the noise she was now making was nothing like she had made with me. This was living proof that size does matter and as B pumped hard, she was digging her fingers into my shoulders hard and within a few minutes whispered to me that she was about to cum. And she duly did, with a frenzied convulsing shudder of an orgasm as her hot and sweaty body collapsed ontop of me.

She was all smiles and after a few more rounds she left one happy bunny. Next time, she said, she wanted to bring some of her female freinds along.

Cant wait!
