The Lady:

Early 30's. Slim size 8. Tattoos and a pierced nipple. Brilliant smile, as seen on her web site.

The Story:

This lady has rocked my boat for several years. She has the knack of making you feel special in a really nice not over the top way.

She met me at the door dressed in not a lot, offered me a brew (pointless as I know it would only get cold) and led me to the bedroom.

Nice clean double bed and great music playing.

We snogged like good un's, gradually getting more and more naked. She dropped to her knees and sucked like a Dyson. Her deep throat is exemplary!!

On to the bed and I went down on her - very sweet- and eventually with the help of her silver bullet, she came. More OWO for me and she got on top - covered of course.

I knew it would be over very quickly, so invited her to dismount and we kissed and cuddled for a while before she insisted I come in her mouth.

No rush at all. We chatted for a while and I left exhausted with a very large grin on my face.

Be careful, she is addictive
