aprox 5'6" nice firm tits, pert ass, cute face, nice long mousey brown hair, great eyes just as on her website and tight in all the right places . Well spoken, very friendly and very attentive to requests and a great roleplayer.

The Story:

Renea is a very submissive young lady who is a wonderful role-player who really enjoys and takes a good spanking and the cane. She is clever with it and takes full part in any roleplay. Excellent covered oral and great sex. Before and afterwards she was very friendly and talkative wanted to ensure we both knew what was on the agenda before we started and after she was not looking to kick me out in seconds. Renea is an absolutely wonderful young lady that I will visit again and again. She deserves to be treated well and trust me, if you do, she will treat you well too!!!
