The Story:

After choosing Mariah from the available girls, I was offered the choice of two rooms one for ?50 and one for ?60 I took the cheaper option. Mariah showed me to the room of my choice, sorted out the payment then undressed and asked what I wanted her to do. We started with a good covered oral and by this time I was feeling even hornier than usual so quickly on to shag in mish. Mariah is very tight and has very good pussy control and she had soon milked my cock to orgasm.

I will be back hopefully, to spend more time with her when I am not feeling quite so trigger happy.
