The Premises:

First floor flat on quiet street in the Paddington area. Bedroom was clean and tidy.

The Lady:

Very pretty blonde haired girl with tanned body. Looks just as good as she does on the website.

The Story:

After being let in through the main door,I approached Jacqueline's flat. I could hear her talking to another girl but when she opened the door there was no one else to be seen and she led me to her bedroom. The room was dimly lit so I could not see her in her full glory but I could certainly tell that she was as beautiful as her photos suggest and that she has the most exquisite body I have ever come across.

After the money changed hands,she helped me get undressed and started some OWO with her sitting on the bed and me standing up. She does not allow CIM. We got on the bed and after a few minutes of foreplay and RO,she gave me another blow job before we had sex with her on top. This felt really good and I managed to cum. She finished by giving me a massage. She was fairly quiet and it was difficult to get a conversation going but as I only booked half an hour,it didn't really matter.

A very enjoyable punt with a sweet gorgeous girl. She led me out with a great view from behind of her peachy bum to remember her by.
