The Premises:

I have never been here before, but it was easy to find. It is a clean and safe looking building on high street harlington. You might take note that it is directly across from some shops and it is a busy street, so not the most discrete location in the world, but as I am traveling on business I was not concerned about anyone recognizing me. Inside was immaculate, and well organized.

The Lady:

Nina was not shown on the website. She is a very friendly German girl, I would say she was in her mid thirties. Slim and busty (enhanced) probably about 34DD or so.

The Story:

Excellent service here, the maid was friendly and showed me to a waiting room until Nina was ready. Amber was also working but she was busy. I waited about 10 minutes before Nina was ready to greet me. We agreed on 70 for the basic service and quickly got down to business. Excellent OWO, really super actually. We switched to reverse cow girl for a some time, but I was very tired from having worked until 5:00am the night before and meetings all day, I couldn't finish that way. Not Nina's fault at all. We finished up with some more excellent OWO and she swallowed every drop. I will definitely try this place again when I am not so exhausted.
