The Premises:

Scorpio's is a well known establishment, safe and generally well-run but sometimes needing maintenance. It's well worth making the journey from Glasgow, where the scene is poorly developed and you may meet some rough types (the punters, not the girls).

The Lady:

There were seven ladies in the lounge when I arrived, of several nationalities, but only two seemed to be able to chat: Brianne and Eva. It was a difficult choice- Brianne is from Canada and looks like a quality porn star; Eva is Ukranian-Scots, but in manner she's more of the girl-next-door type. I picked Eva, a medium height lady, about 30, with short black hair.

The Story:

Once in the room, Eva likes to get down to the business quickly. She stripped off to reveal gorgeous natural breasts, about as good as they get. She reached forward to grab me, but I wasn't ready to rush in, so I volunteered to massage her back and front. Nice smooth legs, lovely firm bum. In this time she told me briefly her life story. She's a naturally warm person, with a sense of fun, very open, very willing, good company. Then she started on me, first drawing her beautiful breasts over my body; and one thing led to another, so that I experienced as many positions and acts as one normally finds in a year, including a bit of OWO, ball-licking, and the usual repertoire of sorts of fucking. And Eva is vocal, energetic and strong. Very exciting stuff, and for once I was able to control the timing. She eventually finished me off with very vigorous oral.
