The Premises:

Flat in a nice block close to Marylebone station. Inside its clean and tidy, nice lighting with quiet music and candles. The bathroom is clean and she always has clean towels. There is a large comfortable bed a wall with a large mirror. Basically is a good place to have some fun

The Lady:

Annie, known as Kitty on some sites, is like her pictures only with shorter hair. Personally I think she looks better in person and particularly her derriere is definately better than the pics. Oh, and did I mention that she's damn sexy

The Story:

Annie is very naughty, very keen to please, inventive and funny. I've seen her a few times now and she just gets better. She doesn't seem to have a fixed routine, she goes with the flow and wherever she goes is where you want to be. Annie is accomplished at O levels and I believe A as well, but she keeps me so busy I've not tried that yet. I think she was already planning new things for my next visit and to be honest I can't wait. Go and see her and enjoy, just leave a little time for her to see me
