The Lady:

Woman in her late 20's, not unattractive but not what I expected. Pics on website either heavily photoshopped or it was not the same woman.

The Story:

The fact she was very tanned (said she was from Turkey), more bulky and older than the website pics, suggested to me that the woman I saw was not the one I was expecting. However it was Friday night, I fancied some company and as she was not unattractive I decided to continue. Started friendly enough but soon realised she wasn't putting in any effort quite mechanical really - she didn't want to kiss and touching wasn't allowed - and it all seemed a waste of time, so after 20 mins I gave up. Very disappointed. Pity, because this agency has always performed well. They were apologetic afterwards. I should have realised at the start when it wasn't the same woman.
