The Premises:

Located in a quiet residential road, discreet entrance with porch at front of house. Decent accomodation, the room is OK, clean and tidy.

The Lady:

Absolutely stunning 21 year old Polish Minx, long brown hair, alluring blue eyes, fabulous slender and toned body, this lady really does ooze sex appeal. She has a cute chin piercing too.

The Story:

Great session starting with kissing (not french, though sometimes she does), extended DATY which tasted divine even though she's "natural" below and actually can climax to prolonged and careful attention with tongue :)

Her BBBJ's are top-class from past experience, vigorous but also tender with tongue and lips along shaft and balls. Fantastic sight when she's looking at you whilst she performs oral.

Sex was protected and energetic, in various positions of which highlights were spoon and doggy position. The inevitable climax was forthcoming with much relish, April taking a facial, and me being the gentleman ensuring none got into her eyes. After "re-charge" and great chat, round two commenced. Her spoken English is very good.

Lovely young lady, intelligent, well mannered and friendly disposition. The meeting took place some while ago (apologies for the late submission), and have seen this lady on a number of occasions.

I'm not sure if I'll return to visit her again, maybe for me time to move on but do highly recommend her.
