The Lady:

A real stunner, I think you could call her a MILF, it's a term i'm not very familiar with, it's a matter of fact that Roxana it's steaming hot, even if she's in her late 30s she could take any younger girl.

The Story:

Apart from the fact the A+, which, however, is clearly stated on the website, everything else was excellent, I had just one hour with her but was enough. She's don't shy away form thing, but is more than willing to explore and surely like to please. I had a full hour of sex which left me fulfilled ready to have some more at the next occasion.
